

At its September 2011 meeting, the Judicial Conference of the United States responded to inflationary pressures by increasing, effective November 1, certain miscellaneous fees for federal courts. The newly approved court fee schedule is the first inflationary increase in eight years. Fees in appeals, district, and bankruptcy courts are affected. The fee schedule below is effective November 1, 2011.

**United States District Court  
Eastern District of California  
Fee Schedule
